

architectural products

design & build solutions | value engineered options

Specialty contractor, W.S. Nielsen Corporation, Inc. would like to invite you to attend a **meet & greet** breakfast presentation or lunch & learn in your office.

In this presentation, we'd like to share our recently expanded architectural product line and services so when the time comes, you'll know who to call.

Save Time. Energy. Money

Products:

- + skylights
- + green facades
- + canopies & trellises
- + architectural panels & mesh
- + screening
- + glazing
- + structural glass
- + translucent building envelopes

Services:

- + product consultation
- + turn-key, 4 stage process
- + installation
- + renovation

We are happy to schedule 1 hour continuing education seminars for products listed above. If your office is interested in delving deeper into any of these topics, please contact jason@wsnielsen.com to schedule. AIA members will receive 1 hour CEU HSW credit.
